

EO

Eye Omega

ADVANTAGE

# Eye Omega Advantage®

*Protect your eyes and support your vision*

*Contains Lutein and Zeaxanthin*

Eye Omega Advantage® is custom formulated to offer the highly beneficial omega-3 essential fatty acids, EPA and DHA, in the triglyceride form for maximum absorption as well as Vitamin D3 for additional comprehensive health benefits. Additionally, Eye Omega Advantage® offers a synergistic blend of two carotenoids – lutein and zeaxanthin – to help defend the macular region of the eye from harmful forms of light. As a result, the eyes are protected from the photo-oxidative damage that could lead to macular degeneration.

## Supplement Facts

Serving Size: 4 Softgels  
Servings Per Container: 30

Four Softgels Contain	% Daily Value	
Calories (energy)	40	
Calories from Fat	35	
Total Fat	3.5g	5%*
Polyunsaturated Fat	2.5g	↑
Cholesterol	10mg	3%*
Protein	<1g	
Vitamin D (as D <sub>3</sub> Cholecalciferol)	1000 IU	250%
Omega-3 Fatty Acids as TG**	2200mg	↑
EPA (Eicosapentaenoic acid) as TG**	920mg	↑
DHA (Docosahexaenoic acid) as TG**	920mg	↑
Additional Omega-3 Fatty Acids as TG**	360mg	↑
Lutein (free)	10mg	↑
Zeaxanthin (free)	2mg	↑

\* Percent Daily Values are based on a 2,000 calorie diet

↑ Daily Value not established

\*\* Superior Triglyceride Form

INGREDIENTS: Highly Refined and Concentrated Omega-3 Fish Oil (anchovy, sardine, mackerel), Capsule Shell (gelatin, glycerin, purified water, chlorophyll), Beeswax, Lutein Esters, Natural Mixed Berry/Orange Flavor, Zeaxanthin Esters, Natural Mixed Tocopherols (soy), and Cholecalciferol.

## EYE OMEGA ADVANTAGE®

- Natural triglyceride form for maximum absorption
- Highly purified and concentrated
- Molecularly distilled in a pharmaceutically licensed facility
- Independent laboratory tested for quality and purity

# Macular Vitamin Benefits

*Supports macular health*

*Preserves eyesight of clinical population at risk*

BENEFITS

Many studies have shown that beta-carotene and Vitamin A, two carotenoids typically found in macular vitamin products, are either of little value or result in decreased macular health in some clinical groups. PRN has scientifically formulated Macular Vitamin Benefits by removing these ingredients, at the same time maintaining the evidence based components of the Age-Related Eye Disease Study (AREDS) formula. This formula incorporates the natural form of Vitamin E as well as B-complex vitamins (B6, B9, B12) shown in recent studies to reduce the risk of developing early stages of Age-related Macular Degeneration (AMD).

## Supplement Facts

Serving Size: 2 Tablets  
Servings Per Container: 30

Amount Per Serving		% Daily Value
Vitamin C (as ascorbic acid)	500 mg	833%
Vitamin E (as natural mixed tocopherols and tocotrienols)	400 IU	1333%
Thiamin (as thiamin mononitrate)	50 mg	3333%
Riboflavin	50 mg	2941%
Niacin (as niacinamide)	50 mg	250%
Vitamin B6 (as pyridoxine HCl)	50 mg	2500%
Folate (as folic acid)	1000 mcg	250%
Vitamin B12 (as cyanocobalamin)	1000 mcg	16,667%
Biotin	50 mcg	17%
Pantothenic acid (as D-calcium pantothenate)	50 mg	500%
Zinc (as zinc oxide)	80 mg	533%
Copper (as copper oxide)	2 mg	100%

**OTHER INGREDIENTS:** Dicalcium phosphate, microcrystalline cellulose, stearic acid, croscarmellose sodium, silica, magnesium stearate, and film coating (hypromellose, hydroxypropyl cellulose, glycerine).

## MACULAR VITAMIN BENEFITS

- Formulated to complement Eye Omega Advantage
- Provides a vitamin formulation derived from the Age-Related Eye Disease Study (AREDS) formula
- Modified based on a wealth of evidence on B-Complex formulations, forms of Vitamin E, and the removal of beta-carotene
